

Continental Property Services, Inc. is a locally owned and operated Property Management company that engages in the acquisition, ownership, and management of apartment properties. The company rents and leases its apartment units to a diverse base of residents. Currently, CPS owns or manages a real estate portfolio of 11 apartment properties containing approximately 2400 units located in the greater Daytona Beach area. CPS has been serving the Daytona Beach area since 1976 and is headquartered in Daytona Beach, FL.

One of our competitive advantages is our team of high-caliber, motivated associates who overcome challenges and deliver outstanding results.

Continental Property Services accepts resumes throughout the year for the following positions:

- Community Manager
- Assistant Manager
- Leasing Professional
- Maintenance Technician
